Our Clients

As a leading provider of cancer imaging and therapy solutions, Siemens Healthineers has a strong presence in the global market. In Kenya, we work closely with them to offer logistical support for their equipment and services. Our partnership ensures that their technicians can deliver timely and quality services to their end user clients.

CSR ACTIVITIES

- **Rhino Charge Ark** – Participated by sponsoring The Copy Cat Limited – Car Number 14 since 2009. The Rhino Charge is an annual off road motorsport competition that has been held in Kenya since 1989. It is a unique and exciting competition that requires bravery and a high level of skill in off-road driving and navigation.

With a clear focus on conservation of Kenya's mountain forest ecosystems, also known as the water towers, Rhino Ark continues to identify, develop and implement management tools to assist Kenya Wildlife Service, Kenya Forest Service and the local communities to sustainably manage these critical natural assets

- **Mater Heart Run** – Participated through sponsoring staff members every Year since 2011. The Mater Heart is one of the most recognised and noble annual event in the Kenyan Calendar. Kenyans from all walks of life come together to support the cause of offering Heart surgeries to Children.
